Dear Sir:

The following article was obtained from a magazine I have read:
"Raul Wallenberg was a Swedish diplomat who, during the Nazi years, saved lives of 20,000 Jews. In 1945 he was kidnapped from Budapest by the Soviet police. The Soviet government lied to the family saying he was dead. We did our best to find out Wallenberg's whereabouts. A former agent of the KGB, who is now living in Israel, has a letter from a man who is still working for the KGB, saying that Wallenberg is alive in a mental asylum in Leningrad. (From Voice of the Martyrs, 6-78, reprinted by Cornerstones, Vol. 7, Issue 44.)"

As a registered voter of New York State (since I am in the Navy, I vote by means of an absentee ballot) I ask you to back President Carter's stand on the Human Rights issue, so that Raul Wallenberg, Rev. Georgi Vinnitsky and the many other prisoners, who are confined because of their faith in God (a freedom that we Americans enjoy, but too often take for granted) may be freed.

Thank you for your consideration,
Sincerely Yours
